Annual Program & Funding Planning for Units

It doesn't take a rocket scientist to figure out what keeps Scouts in the program. They like to have fun, do challenging activities, earn merit badges, go places, and learn new things. That is what we call program and it doesn't just happen by chance. It takes planning and preparation. This all starts with your unit's annual program planning conference which is a set of meetings, held in May or June, where the unit schedules the key activities and events they want to do for the next year, along with a plan for how they will pay for these activities. What this looks like is slightly different from unit to unit, but the core elements of the plan will be the same.

Parents always want to know the answer to two questions, **What are we going to do and how much is it going to cost?**

Strong units have an annual plan with associated funding plan that can easily be shared with their Scouting families. The following items will help guide your unit.

Use This Guidebook as a Tool

The first pages of this guidebook provide training, program opportunities, and best practices. The calendar pages (blue) are left bank by design to allow you to fill in the dates, events, and activities that are specific to your unit's plans.

The right side of the calendar pages have three sections. The top section (red) shows Council events and programs. The middle section shows typical events or activities that a unit may plan during that month. The Bottom section (green) shows District events and programs.

Use the map on page 2 to identify your District. Your unit is welcome to participate in events, programs, and trainings being held other districts.

We have added program labels to help you identify events based on program type.

Program Planning Conference - Steps for Success!

The program planning conference is a unit meeting or meetings to plan and schedule the activities and events they want to do for the next year; along with a plan for how they will pay for these activities. At the start of the meeting explain to the group the importance of annual program planning, why you are doing it, and the rules for the process you will follow during the meeting. While this meeting is similar for all units, please remember that in Troops and Crews the youth are the ones who should be holding this meeting. Adults are there to help them and guide them through this process. Training videos are available in my.scouting.org or at www.1bsa.org.

PRE-WORK

Before the scheduled face-to-face conference, the committee chair and unit leaders gather the following information:

- o Key school and community event dates
- o Personal dates that may affect your unit's activities
- o Last year's unit annual plan (if you have one)
- o Important chartered organization dates
- o District and Council dates (pages 16-39)
- o Unit priorities and goals (JTE)

To maximize the efficiency of your planning, the following people should attend the conference:

- o Chartered Organization Representative
- o Your unit commissioner (optional)
- o For Troops & Crews: Youth Leadership
- o All unit committee members & unit leaders
- o Anyone else you think might be helpful

Step 1 - COLLECT

This part is easy. Take the dates you collected prior to the meeting and put them into your master calendar—including meeting dates—either on a hard copy or by plugging the information into an electronic calendar on a computer.

Step 2 - REVIEW

Review what the unit did last year. Ask yourself questions like, what events went well, what events didn't go so well? Did we earn the National Summertime Award? The Journey to Excellence Award? How did we do with weekly attendance? Did we participate in day camp, summer camp, high adventure? Did we sell popcorn and camp cards? Feel free to ask as many questions as you want, but don't spend too much time on this, as the key issue is planning the upcoming year. Just use this research to help guide what you might want to keep, replace, or improve.

Step 3 - BRAINSTORM

Brainstorm activities your unit might want to do in addition to weekly meetings. Include things such as: Blue and gold banquet, Courts of honor, Pinewood Derby, Scouting for Food, Weekend Campouts, Community service activities, youth recruitment events, District Events, Council Events, etc. Remember the brainstorming rule, which is anybody can suggest anything without critique or criticism. Feedback and analysis come later, after all the ideas have been captured. Once you have a list of things your unit might want to do, start prioritizing the list. Take a vote(s) on which activities to include on the schedule, then add the activities to your calendar.

My.scouting.org is a portal for adults and leaders providing access to their account data, online training, and more. It is run separately by the national Boy Scouts of America organization, and not by our local council.

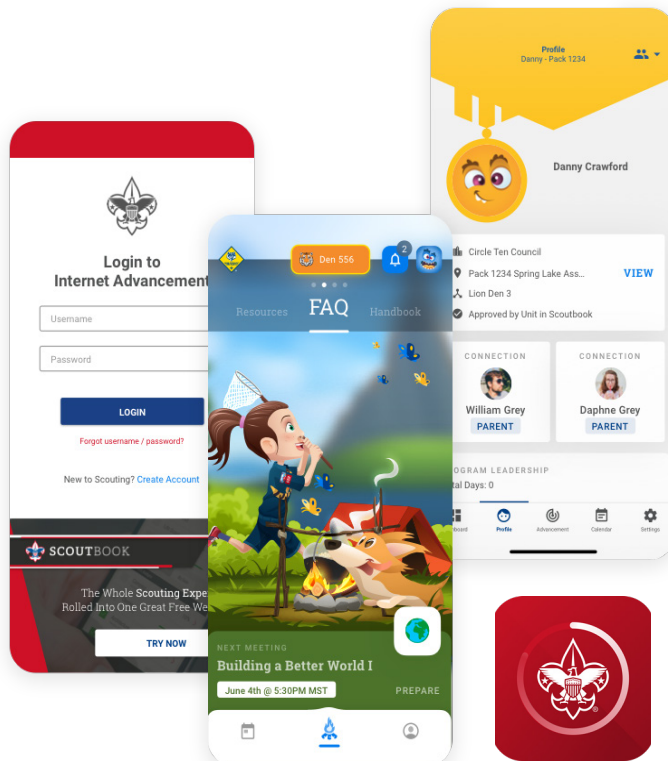

Through my.scouting members of the Unit Key 3 can:

- Update your unit's beascout.org pin
- Accept online and transfer applications for youth and adults
- Change the position roles of your registered adult leaders

Scoutbook

Scoutbook is the Boy Scouts of America's (BSA) free official tool for advancement record-keeping and reporting. Its primary purpose is to help Scouts, parents, and registered leaders track and report advancement records. It can also help Scout units track who needs to take or retake Youth Protection Training, plan events, and send messages to their members.

- Tracks advancement
- Activity, service, & camping logs
- Quick PO's for Scout Shop advancement purchases
- Unit calendar with event sign-up tool
- Email & txtng tool
- Payment log (Scout accounts)
- Merit badges & counselors
- Unit roster with Scout and leader contact information
- Manage your den's, patrols, & youth leadership roles
- This is the BSA's database.

Who uses Scoutbook?

- **Adults (leaders)** – BSA creates your account when you join; an adult volunteer designated as a Scout unit's Scoutbook Administrator can also create an adult's account. This Administrator has the power to say which adults can be connected to your Scout unit.
- **Adults (parents)** – Parents use their adult account to control who can access their Scout's account. A Unit's Administrator controls which adult accounts are connected to their unit.
- **Youth account** – Scouts can't get an account until their parent "invites" them to join. Once a Scout has an account, they can track their advancement progress just like they would if they had adults "sign off" on requirements in their handbook.

Membership Growth Resources

Inviting new families to join Scouting is the most important thing we can do. Every fall, a sign-up night is held at each elementary school across the nation. These sign-up nights are heavily advertised and are the main way that most families sign-up to participate in Scouting. The Unit New Member Coordinator is a member of the Unit committee that organizes these sign-up nights, inviting new families to join and ensuring they feel welcome.

Get trained at your Fall Membership Kick-off and receive all your free marketing materials!

ORDER OF THE ARROW

For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. The OA is Scouting's National Honor Society and its members, known as Arrowmen, maintain camping traditions and spirit, promote year-round and long-term resident camping, and provide cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth.

Greater Alabama Council is the home of the Coosa Lodge of the Order of the Arrow. The program is led by our local youth leadership with the lodge chief leading our lodge and the chapter chiefs leading each District chapter.

How do I become a member?

To become a member of Scouting's Honor Society you must be a registered member of the Boy Scouts of America in a Scouts BSA Troop, Venture Crew, or Sea Scout Unit. You must be of First-class rank or higher. You must complete 15 nights of Scout camping while registered that includes a long-term camp of at least 5 consecutive nights. Lastly, you must be approved by our leader and elected by the youth members of your unit. Adults who meet the camping requirements may be elected following nomination to and approval by the lodge adult selection committee.

Attend Induction Weekend!

Have you been elected by your Unit to become a member of the OA? Take your next step by completing your Ordeal at one of our Induction Weekends. Register online at www.coosa50.org.

Need an OA Election?

Does your Troop need to hold an Order of the Arrow Election? Make the request at coosa50.org and a member of our Unit Election team will contact you to schedule and guide you through the process.
